Sir:

Pursuant to the Notice Regarding Drawings mailed by the U.S. PTO on December 14, 2006, Applicants submit herewith a corrected drawing sheet containing Figs. 5 and 6, in order to obviate the objection that the "English alphabet [was] not used" in previously-submitted Fig. 5.

The drawing sheet submitted herewith includes translations of the Japanese characters of the previous Fig. 5, and these translations are accurate translations and thus do not add new matter.

Thus, it is submitted that the drawings are now correct, and it is respectfully requested that the application be processed for issuance of the Letters Patent.

Respectfully submitted,

Yasuhide TAKATA et al.
